

Brothers Are We

Music by Charles Darrin, Words by Edward Ingraham

Bound by the ties of friendship
Bound by the ties of truth
Ideals to show us service
Love and loyalty

For you is service, honor
To keep your standard true
Through all the years together
We pledge our lives to you

Brothers Are We in Phi Sigma Pi
Knowledge the teacher, skill the means of life
Fellowship ever to live or die
Brothers Are We forever, Phi Sigma Pi
